Please join us on Tuesday the 20th of October at 6.30pm
for a discussion based on the popular book by Richard Rohr

'Falling Upward – A spirituality for the two halves of life.'

"...We grow more spiritually by doing it wrong than by doing it right.

In *Falling Upward*, Fr Richard Rohr offers a new understanding of one of life's most profound

mysteries: how our failing can be the foundation for our ongoing spiritual growth. Drawing on the wisdom from time-honoured myths, heroic poems, great thinkers and sacred religious texts, the author explores the two halves of life to show that those who have fallen, failed or 'gone down' are the only ones who understand 'up'. The heartbreaks, disappointments and loves of the first half of life are actually stepping stones to the spiritual joys that the second half has in store for us..." Blessings. Chris. *Sounds exciting. Chris has sent us more 'in-depth' notes which will be made available via the website or a few copies in the Narthex. Chris has 3 spare copies of the book. Otherwise you need to phone St John's bookshop in Fremantle and order one. Phone: 9335 1982.*
